○ **Weekly Summary**

This week, I prepared the iOS application for completion and prepared Android application for beginning development.

○ **Past week accomplishments**

- Neil:
 - iOS:
 - Worked on developing Comments screen to allow users to post comments on each individual poll.
 - Submitted application for (early) App Store approval.
 - Started putting together End User Licensing Agreement.
 - Android
 - Starting putting together Version 1 wireframe using Adobe Experience software.
 - Made list of requirements for the minimum viable product.

○ **Pending issues**

- Neil:
 - ❖ Need to research EULA in more depth
 - ❖ Need to discuss the option of NDA/IP agreement with Dr. Mina

○ **Individual contributions**

○ Comments and extended discussion

○ Plan for coming week

- Neil: Lots of testing on iOS, add flags for user-content in app, create in app tutorial screen, finish Android wireframe

○ Summary of weekly advisor meeting

Meet and greet with Dr. Ponpandi. I showed him my ideas for the app, we discussed them, and then we decided to meet once a week.

Grading criteria

Each weekly report is worth 10 points. Scores will be awarded as follows:

- **8 – 10:** Progress for your project seems to be suitable. Documentation and hours reported by team members are adequate.
- **6 – 8:** There is scope of improvement both in your report and your project progress. Can consult with instructor/TA after class for further inputs.
- **< 6:** Please talk to instructors/TA after class hours about any difficulties that you/your team is facing.
